### **Donald Corey Jr. President and Owner**

Donald Corey Jr. has been in the liquor business his entire life. Like his father and grandfather before him, Don strives to make Blanchard's Wine and Spirits the finest, most complete stores on the South Shore and Cape Cod.

Over the years, Don has broadened his knowledge of this ever changing industry through wine trips to France, Germany, Italy and Portugal as well as Chile and California.

*"Our greatest strength, the thing that sets us apart from all the other stores is our staff. Blanchard's Wine and Spirits managers are second to none. I think you will find this evident when you visit one of our stores. We all take great pride in our organization and it shows".*
